

Support Our Troops this Holiday Season!

The Harwich Community Center will be partnering with Operation Gratitude to hold a collection drive for our troops!

Operation Gratitude annually sends 100,000+ Care Packages to deployed Troops, New Recruits, Veterans, Wounded Warriors & their Care Givers. We need your donations to show our Soldiers, Sailors, Airmen & Marines they are not alone!

**We welcome any donation that
you are able to contribute!**

*(Suggestions of items we will be accepting
can be found in the Wish List below)*

We also encourage donors to include **personal letters of appreciation**. These are often the most cherished items in our care packages.

You can drop your donations off at the Community Center in the specified donation boxes located in our front lobby.

**If you have any questions,
please call us at 508-430-7568.**
